Melbourne Knights Football Club offers you the unique opportunity to own a part of your very own football club. The club has been wholly owned by its body of members since its inception in 1953. The club is democratically run in accordance with its constitution by supporters on a one member one vote basis. Members vote on all major decisions, such as electing the Board and deciding the direction of the club. Our supporters and community are the heart of our club, we're committed to the principle that fans must have the final say in the way football should be run.

The more members we have, the louder our collective voice will be.
